John Gotti Sep 16 2021 A lowly street kid born in 1940, he went from being a nobody to the head of the most powerful crime family in America. He was ruthless, coveted power, and demanded absolute loyalty and commitment to his criminal causes. He was considered untouchable and not even law enforcement agencies could keep him behind bars. This is the story of John Gotti. Gotti had a simple rule in dealing with anyone who challenged his authority. He had them killed. He was a member of the Gambino crime family but even had his own boss, Paul Castellano, murdered to get to the top. There was no criminal activity that he was not a part of and under his leadership, the family became the richest among all other crime families. Despite violating all standards of being an upright citizen, people loved him because of his demeanour and the way he presented himself. Who was he as a person and how did he achieve his position? Here's a preview of what you'll find in this book: John Gotti's childhood and joining the mob His activities as a loyal member and rising up the ranks Being recognized as the official member of the cartel Launching a murder spree Battle for control Reaching the top of the mob and evading prosecution His eventual downfall Legacy ..... And much more! Gotti was brought down by law enforcement officials after a lifetime of pursuit. He was convicted, imprisoned, and died a quiet death in his prison cell. During his life, he had reached an almost mythical figure, a darling of the crowds, and a nightmare for the legal system. This book will grant you unique access to his life and how he strategically reached the echelon of his profession. So, scroll up and click the "Buy now with 1-click" button and get your copy!

Mob Killer Nov 26 2019 Presents the life of Charles Carneglia, who, after joining the New York mafia, committed violent acts and murder for the Gambino family.

Mi Vida En LA Mafia Jun 01 2020

Five Families Apr 23 2022 Genovese, Gambino, Bonnano, Colombo and Lucchese. For decades these Five Families ruled New York and built the American Mafia (or Cosa Nostra) into an underworld empire. Today, the Mafia is an endangered species, battered and beleaguered by aggressive investigators, incompetent leadership, betrayals and generational changes that produced violent and unreliable leaders and recruits. A twenty year assault against the five families in particular blossomed into the most successful law enforcement campaign of the last century. Raab's Five Families is the vivid story of the rise and fall of New York's premier dons from Luciano to Paul Castellano to John Gotti and more. The book also brings the reader right up to the possible resurgence of the Mafia as the FBI and local law enforcement agencies turn their attention

to homeland security and away from organized crime.

Mafia Wife Feb 28 2020 When Lynda Lustig met Louie Milito, she was a sixteen-year-old high school dropout with a taste for adventure and an agonizing childhood. When they were married years later, he was not yet a made man in the powerful Gambino crime family. Louie was a hairdresser who dabbled in petty thievery. But Lynda was so happy to be out of her domineering mother's loveless house. And over the years, she was willing to forgive her husband for anything: his violent rages, his frequent absences, his shady associates, and the blood on his hands. For twenty years Lynda Milito remained loyal to this charming and dangerous criminal -- her children's father and close friend of crime boss John Gotti and underboss Sammy the Bull Gravano. But in 1988 Louie Milito disappeared, murdered by the very people he had always trusted to protect him. This story, a family story, a love story, Mafia Wife is the shockingly intimate, brutally honest tale of a survivor -- and of the life she lived in the dark bosom of the underworld.

Summary of George Anastasia's Gotti's Palace Jan 27 2020 Please note: This is a companion version & not the original book. Sample Book Insights: #1 Alite was in prison in Brazil, and he was being targeted by the corrupt warden. He had to fight back, so he inserted a knife into his rectum. He survived, even if it meant going against the odds. #2 Alite was an American mobster arrested on an Interpol warrant after spending more than a year bouncing from country to country. He had made three stops in Cuba. He knew he should have stayed in Havana, but he had chosen Brazil. He lived in a neighborhood in the Copacabana section of Rio, had developed friendships, and had a girlfriend. Alite was a wealthy American gangster, and he used his money and connections to make his way in the violent prison underworld. He eventually decided to become a witness for the U. S. Justice Department, testifying against Gotti Jr. and another former associate. #4 Alite knew that the mob were a soap opera long before Vicky got her own reality TV show. He knew that like Willie Bonanno and Ruggiero, he was expendable. He had to break the rules of the underworld if he cut a deal with the feds, but the Gottis had already broken those rules long before Alite ever thought about it.

Investigating the Mafia Oct 25 2019 The mafia's code of silence has long made it difficult for police to convict major mafia figures. Low-level members who are caught in criminal activities rarely provide evidence on those above them, choosing instead to do their time. Police have had to go to great lengths to take down the bosses, in many cases giving up their own lives to go undercover. Joe Pistone, an undercover FBI Agent known as "Donnie Brasco," was an FBI agent for 27 years. He spent 20 of those years as an undercover agent, sacrificing his own identity to bring justice to the mob. This book provides background information on organized crime, and gives your readers a revealing look into the tools and techniques used by investigators in mafia cases. Sidebars provide first-person accounts and biographies of famous criminals and investigators.

Mob Rules Feb 07 2021 The Mob is notorious for its cruel and immoral practices, but its most successful members have always been extremely smart businessmen. Now, former mobster Louie Ferrante reveals its surprisingly effective management techniques and explains how to apply them legally to any legitimate business. As an associate of the Gambino family, Ferrante relied on his instincts to pull off some of the biggest heists in U.S. history. By the age of twenty-one, he had made millions of dollars for his employers. His natural talent for management led Mafia bosses to rely on him. After being arrested and serving an eight-and-a-half-year prison sentence, Ferrante went straight. He realized that the Mob's most valuable business lessons would allow him to survive and thrive in the real world. Now he offers eighty-eight time-tested Mafia strategies, including: \* Buy your own coffee! \* Respecting the chain of command without being a sucker. \* The walls have ears. \* Never bad-mouth the boss. \* Is this phone tapped?: Watch what you say every day. \* How to handle a hatchet-but not in someone's head. \* Don't split yourself in half: The wrong decision is better

none at all. \* Don't build Yankee stadium, just supply the concrete: Spotting new rackets. \* Let  
gun, take the cannolis...and beware of hubris. Ferrante brings his real-life experiences to the book  
offering fascinating advice that really works and sharing behind-the-scenes episodes almost as  
outrageous as those occurring on Wall Street every day.

The Gambino Crime Oct 30 2022 The Gambino Crime Family - A Mafia Family Revealed is an  
account of the Gambino family, one of the most powerful crime families in United States history.  
Gambino family, known to be one of the "Five Families" who control organized crime in New York  
City, are charged with scores of crimes including: loansharking, racketeering, gambling, extortion  
and murder for hire. The Gambino Crime Family - A Mafia Family Revealed is highly recommended  
for those interested in the history of the Gambino crime family and also for those interested in  
learning more about the Mafia.

Nothing But Money Nov 06 2020 Forced out of the work-hard, play-hard world of Wall Street  
following the Crash of '87, financial analyst Cary Cimino was determined to maintain his lifestyle of  
luxury and ease. Under the guidance of dubious businessman Jeffrey Pokross, Cimino embarked on  
an illegitimate underground career as a "financial adviser" to naïve investors. Cimino's small-time  
operation soon spiraled into a large-scale crime ring when he and Pokross were reunited and  
with Mafia wiseguy Robert Lino. Together, and with the support of organized crime families, the  
three men devised a high-risk, high-return scheme to extort millions of dollars from a bevy of  
unsuspecting stockbrokers and investors—all in the name of the Mob. This is the uncut, untold  
one of the most elaborate conspiracies to rock Wall Street's rigid foundation—a story centered on  
the Mafia, murder, and a load of money.

Mob Daughters Sep 24 2019 From Karen Gravano, a star of the hit VH1 reality show Mob Wives  
comes a revealing memoir of a mafia childhood, where love and family come hand-in-hand with  
murder and betrayal. Karen Gravano is the daughter of Sammy "the Bull" Gravano, once one of  
mafia's most feared hit men. With nineteen confessed murders, the former Gambino Crime Family  
underboss—and John Gotti's right-hand man—is the highest ranking gangster ever to turn State  
evidence and testify against members of his high-profile crime family. But to Karen, Sammy Gravano  
was a sometimes elusive but always loving father figure. He was ever-present at the head of the  
dinner table. He made a living running a construction firm and several nightclubs. He stayed out  
and sometimes he didn't come home at all. He hosted "secret" meetings at their house, and he  
countless whispered conversations with "business associates." By the age of twelve, Karen knew  
was a gangster. And as she grew up, while her peers worried about clothes and schoolwork, she was  
coming face-to-face with crime and murder. Gravano was nineteen years old when her father turned  
his back on the mob and cooperated with the Feds. The fabric of her family was ripped apart, and  
they were instantly rejected by the communities they grew up in. This is the story of a daughter's  
struggle to reconcile the image of her loving father with that of a murdering Mafioso, and how  
healing the rift between the two, she was able to forge a new life.

The War Against the Mafia Oct 18 2021 An inside look based on hours of secret tape recordings  
reveals the day-to-day activities of such crime bosses as Paul Castellano and John Gotti and  
demonstrates how the FBI successfully penetrated the New York City Mafia. Original.

Carlo Gambino - Crime Boss Don Carlo (Biography) Feb 19 2022 Carlo Gambino - Crime Boss Don  
Carlo is the biography of Carlo Gambino, a Mafioso who became boss of the Gambino crime family  
that still bears his name today. Gambino was known for being low-key and secretive and unlike  
modern mafiosi, Gambino served relatively little time in prison. Gambino began carrying out murder  
orders for new Mob bosses in his teens. In 1921, at the age of 19, he became a "made man,"  
inducted to La Cosa Nostra. Gambino was seen at the Desert Inn in Las Vegas on August 2, 1959.

where he is supposed to have met Frank Sinatra, Sammy Davis, Jr., Dean Martin, Peter Lawford, and Joey Bishop, who all are known as "The Rat Pack." In his final years, Gambino was seen less and less in public, deceiving both the public and law enforcement into thinking he had less control, although this was not the case. Carlo Gambino - Crime Boss Don Carlo is highly recommended for those interested in reading more about this key crime boss of the Gambino family.

**Gotti's Boys** Aug 16 2021 A KILLER LINE-UP In his bloody reign as the head of the Gambino crime family, John Gotti wracked up a lifetime of charges from gambling, extortion, and tax evasion to racketeering, conspiracy, and five convictions of murder. He didn't do it alone. Surrounding him with a rogues gallery of contract killers, fixers, and enforcers, he built one of the richest, most powerful and violent crime empires in modern history. Pulitzer Prize-winning journalist Anthony DeStefano takes you inside Gotti's inner circle to reveal the dark hearts and murderous deeds of the most remorseless and cold-blooded characters in organized crime. Men so vicious even the other Mafia families were terrified of them. Meet Gotti's Boys . . . \* Charles Carneglia \* Gene Gotti \* Angelo "Quack-Quack" Ruggiero \* Tony "Roach" Rampino \* "Sammy the Bull" Gravano \* Frank DeCicco \* Vincent Artuso \* Joe "The German" Watts \* THE ULTIMATE MURDERER'S ROW "DeStefano explores John Gotti's rise to the head of the Gambino family . . . Aficionados are sure to relish the finer, exhaustively researched details." —Publishers Weekly "A thrilling ride . . . DeStefano has written another excellent biography of a memorable group of gangsters and an excellent contribution to the history of the Teflon Don." —Booklist

**Scores** Mar 30 2020 A gay man who created New York's most notorious den of heterosexuals, an anxious, anything-but-hardboiled lawyer who became one of the most successful undercover informants in history. . . . In this hilarious and fascinating account, Michael Blutrigh takes you to the star-studded 1990s New York, mafia sit-downs, and the witness protection program. Meet Michael Blutrigh, founder of Scores, the hottest strip club in New York history. A resourceful lawyer at the city's most respected firms, Blutrigh fell into the skin trade almost by accident, but it was his savvy that made Scores the first club in Manhattan to feature lap dances and enabled him to sidestep a law requiring dancers to wear pasties by instead covering their nipples with latex. Soon Scores, the club Howard Stern called "like being in a candy shop," was a home away from home for everyone from sports superstars and Oscar-winning actors to pop singers and political notables alike. The catch? The club was smack dab in John Gotti's territory, and the mafia was a piece of the action. The Gambino family doesn't take no for an answer . . . and neither, as it turns out, does the FBI. In his memoir, Blutrigh recounts in detail how his beloved club became a hub for the mafia, and how he found himself caught up in an FBI investigation, sorely struggling to juggle the demands of business owner and undercover spy. As his life spiraled out of control, Blutrigh would face the loss of almost everything dear to him. But whether marching a line of topless strippers as human shields into a trial to save the club's liquor license or wearing wires to meetings with armed gangsters, Blutrigh never lost his sense of humor or his nerve. In Scores, Blutrigh finally tells all—from triumph to betrayal—in his own funny, self-deprecating voice.

**Busting the Mob** Jul 03 2020 Since Prohibition, the Mafia has captivated the media and, indeed, the American imagination. From Al Capone to John Gotti, organized crime bosses have achieved a level of notoriety as anti-heroes in popular culture. In practice, organized crime grew strong and wealthy by supplying illicit goods and services and by obtaining control over labor unions and key industries. Despite, or perhaps because of, its power and high profile, Cosa Nostra faced little opposition from law enforcement. Yet, in the last 15 years, the very foundations of the mob have been shaken. Mob bosses imprisoned, its profits diminished, and its influence badly weakened. In this vivid and detailed book, James B. Jacobs, Christopher Panarella, and Jay Worthington document the government's

relentless attack on organized crime. The authors present an overview of the forces and events that led in the 1980s to the most successful organized crime control initiatives in American history. Enlisting trial testimony, secretly taped conversations, court documents, and depositions, they document five landmark cases, representing the most important organized crime prosecutions of the modern era—Teamsters Local 560, The Pizza Connection, The Commission, the International Brotherhood of Teamsters, and the prosecution of John Gotti.

**The Gotti Wars** Mar 23 2022 "Riveting...an electrifying true crime story of the Mafia-smitten eighties and nineties. Suspenseful and multifaceted, *The Gotti Wars* can't be missed." —*Esquire*, The Best Nonfiction Books of the Year A "meticulous chronicle of good triumphing over evil" (*The Washington Post*) from the determined young prosecutor who, in two of America's most celebrated trials, managed to convict famed mob boss John Gotti—and ultimately took down the Mafia as a whole. John Gotti was without a doubt the flashiest and most feared Mafioso in American history. He became the boss of the Gambino Crime Family in spectacular fashion—with the brazen and very public murder of Paul Castellano in front of Sparks Steakhouse in midtown Manhattan in 1985. One to stay below law enforcement's radar, Gotti instead became the first celebrity crime boss. His penchant for eye-catching apparel earned him the nickname "The Dapper Don;" his ability to beat criminal charges led to another: "The Teflon Don." This is the captivating story of Gotti's meteoric rise to power and his equally dramatic downfall. Every step of the way, Gotti's legal adversary, Thomas Gleeson, an Assistant US Attorney in Brooklyn—was watching. When Gotti finally faced two federal racketeering prosecutions, Gleeson prosecuted both. As the junior lawyer in the first case—a seven-month battle that ended in Gotti's acquittal—Gleeson found himself in Gotti's crosshairs, falsely accused of serious crimes by a defense witness Gotti intimidated into committing perjury. Years later, Gleeson was in charge of the second racketeering investigation and trial. Armed with the FBI's secret recordings of Gotti's conversations with his underboss and consigliere in the apartment above Gotti's Little Italy hangout, Gleeson indicted all three. He "flipped" underboss Sammy Gravano, killer of nineteen men, who became history's highest-ranking mob turncoat—resulting in Gotti's murder conviction. Gleeson ended not just Gotti's reign, but eventually that of the entire family. A spellbinding, page-turning courtroom drama, *The Gotti Wars* "tells us in electrifying detail how the good guys finally won, how justice triumphed over evil, and how Gleeson himself was transformed by his long war" (Nelson DeMille).

**The Vindicators** Mar 11 2021 One of the most fascinating and talked about organizations of the 19th and 21st centuries is the Mafia. Countless books, films and TV series have been devoted to portraying its activities, which in turn have given it an almost mythical status. But where did it all begin? Surprisingly little is known about its origins, but one thing for sure is that it didn't just appear. It has been smoldering for a long time before it attained its current notoriety...Giovanni Gambino's *The Vindicators* describes how the mafia started in the early 1300's in Sicily.

**This Family of Mine** Aug 28 2022 For decades, scandalous rumors and sensational tabloid headlines have obscured the truth about one of the most famous and intriguing families in modern history. Behind the real players, the real relationships, behind the closed doors of the Gotti dynasty. Until now. Here at last is the explosive memoir that captures the Gottis as they are—unvarnished, raw, and real. Is it better to tell this no-hold-barred story than their most famous daughter? Victoria Gotti never wanted to reveal the inside story of the Gotti household, but with the pressing need to finally set the record straight came the realization that only she can do so, once and for all. Daughter to the late John Gotti, sister to John A. "Junior" Gotti and three other siblings, single mother to three sons with whom she shared reality television stardom on *Growing Up Gotti*, an outspoken columnist and bestselling author, Victoria Gotti delivers a candid, colorful, and brutally honest family portrait.

reads like a confidential file, filled with deeply personal reflections and never-before-published photographs. With the trial of "Junior" Gotti poised to continue the high drama of the Gotti s fascination with the icons of this only-in-New-York clan is stronger than ever. Victoria Gotti's bombshell revelations and stunning insider secrets make This Family of Mine the essential chr in the ultimate American family saga.

**Darkest Hour - John Alite** | 15 2021 DARKEST HOUR A True Story / True Crime Former Mafia Enforcer for John Gotti and the Gambino Crime Family, John Alite, shares his life story in a uni way, in hopes to dispel the mystique of the mob and sway anyone from living a life of crime. He's had too many darkest hours to count, but he's pushed through them all with a spirited perseverance, tenacity of mind, and a strength of purpose. Just like everything else in his life, he's met adv head on with fierce determination and a resoluteness to come out on top. \*~\*~\* A college base scholarship was his way out of the inner city, but his dreams of going pro were crushed by a injury. John Alite was forced to return home to the only life he knew, where having to live on the streets of New York meant one thing, learning how to survive. He was driven. He was extreme. He was loyal. But most of all, he was Feared. From a young age, he found himself influenced by the wrong crowd. Enticed by the wealth, power, and prestige of the mafia, he immersed himself in that was foreign to most. A society where policies were enforced by instilling fear. Those at the top were about obtaining and harnessing absolute power, while covertly using their own warped ethics. Honor and loyalty were merely a misnomer. The cold, bitter truth was, he was expendable. His sworn allegiance was rewarded with betrayal. On the run and unable to trust anyone, John Alite was finally forced to confront his own demon, himself. Facing the harsh realities of who he was and what he had done wasn't pretty, and he had some serious, life-altering decisions to make. Ones that come with a price. Through a life of heartache, betrayal, and loss comes a story of grace, healing, and redemption.

**Undercover Secrets** | Jan 21 2022 FBI agent Nikki Jacobs is tasked with chasing down notorious boss Luca Marchisio by going undercover, but his power, good looks and magnetic character get in the way, prompting her to fall for the man she's tasked to jail. Marchisio, on the other hand, is a guy in a bad place. His real goal is to use his Mafia connections in Hollywood to escape a life of crime for a different type of living across the country.

**The Upperworld and the Underworld** | Dec 28 2019 From Damon Runyan's colorful tough guys in black shirts and white ties to recent media coverage of John Gotti, the 'dapper don', public discourse of racketeers in the United States have drawn attention away from the true nature of organized crime and its extensive penetrations into mainstream business. The Upperworld and the Underworld: Studies of Racketeering and Business Infiltrations in the United States strips away the romantic patina and reveals the significant impact of racketeering on vital segments of American industry. In this informative study Robert Kelly explores two fundamental questions: 'Why is organized crime a serious problem in some businesses and industries, and not in others?' and 'What are the consequences of racketeering activities for labor organizations and businesses tainted by a crime presence?' He examines the blurred demarcation between the legitimate and illegitimate sectors of society and explains the reasons for this occurrence. In the process, Kelly provides a distinct point of understanding organized crime, not just as an 'outlaw fringe' preying on society, but as a disturbingly integral element of our social and economic structure. Moreover, he confirms a well-held thesis that organized crime is not merely parasitic but an institutional component of American society. The Upperworld and the Underworld affords a fascinating view of the current state of organized crime in the United States and the rise of nontraditional criminal organizations in new immigrant communities. The volume is an essential resource for students and scholars concerned with

with issues of crime and its effects on the economy.

**Busting the Mob** Sep 04 2020 Since Prohibition, the Mafia has captivated the media and, indeed, American imagination. From Al Capone to John Gotti, organized crime bosses have achieved notoriety as anti-heroes in popular culture. In practice, organized crime grew strong and wealthy supplying illicit goods and services and by obtaining control over labor unions and key industries. Despite, or perhaps because of, its power and high profile, Cosa Nostra faced little opposition from law enforcement. Yet, in the last 15 years, the very foundations of the mob have been shaken: bosses imprisoned, its profits diminished, and its influence badly weakened. In this vivid and detailed book, James B. Jacobs, Christopher Panarella, and Jay Worthington document the government's relentless attack on organized crime. The authors present an overview of the forces and events that led in the 1980s to the most successful organized crime control initiatives in American history. Enlisting trial testimony, secretly taped conversations, court documents, and depositions, they document five landmark cases, representing the most important organized crime prosecutions of the modern era—Teamsters Local 560, The Pizza Connection, The Commission, the International Teamsters, and the prosecution of John Gotti.

**Sins of the Fathers** Nov 18 2021 A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

**The Gambino Mafia Crime Family** Jul 27 2022 The Gambino family is a prime example of organized crime families, and their in-house fighting and varying styles of leadership have defined the agenda of the mob. Since the beginning of the twentieth century, the family underwent a series of name changes and leaders, but they always remained at the top of the New York mob regime and retained their ties. In this book, you will: Learn about the Mano Nero, the Black Hand group that brought terror to the streets of New York. Gain insight into the five families who formed the Cosa Nostra. Learn about the 10 rules of the Cosa Nostra and who could and couldn't join the organization. Find tons of interesting facts about the dons who have ruled and reigned over the family. Learn the truth about the Gambino, the boss of all bosses. Learn about John Gotti and the rat that finally lost him the Top Don title. This book will help you become part of this fascinating history of organized crime.

**Last Don Standing** May 01 2020 As the last Don of the Philadelphia mob, Ralph Natale, the first ever mob boss to turn state's evidence, provides an insider's perspective on the mafia. Natale's story at the Philadelphia and New Jersey underworlds brought the region's mafia back to prominence in the 1990s. Smart, savvy, and articulate, Natale came up in the mob and saw first-hand as it hatched its plan to control Atlantic City's casino unions. Later on, after spending 16 years in prison, he reclaimed the family as his own after a bloody mob war that left bodies scattered across South Jersey. He forged connections around the country, invigorated the family with more allies than it had in decades, and achieved a status within the mob never seen before or since until he was betrayed by his men and decided to testify against them in a stunning turn of events. Using dozens of hours of interviews with Natale along with research and interviews with FBI agents, this book delivers revelatory insights into seminal events in American mob history, including: - The truth about Jimmy Hoffa's disappearance - The murder of Jewish mob icon Bugsy Siegel - The identity of the man who created modern-day Las Vegas With the full cooperation of Natale, New York Daily News reporter Larry McShane and producer Dan Pearson uncover the deadly reign of the last great mob boss in Philadelphia, a tale that covers a half-century of mob lore—and gore.

**Gotti's Boys** Aug 04 2020 Much has been written about John Gotti. But for the first time ever, Pulitzer Prize-winning investigative journalist and acclaimed author Anthony M. DeStefano brings readers unprecedented access to the stone cold murderers who worked for Gotti, killed for Gotti, and made him the most powerful and deadly crime boss in America... Meet the men who murdered

mob—and made John Gotti the most powerful and deadly crime boss in America. In his bloody  
as the head of the Gambino crime family, John Gotti wracked up a lifetime of charges from ga  
extortion, and tax evasion to racketeering, conspiracy, and five convictions of murder. He did  
alone. Surrounding himself with a rogues gallery of contract killers, fixers, and enforcers, he b  
one of the richest, most powerful and violent crime empires in modern history. Pulitzer Prize-  
journalist Anthony M. DeStefano takes you inside Gotti's inner circle to reveal the dark hearts  
murderous deeds of the most remorseless and cold-blooded characters in organized crime. M  
vicious even the other Mafia families were terrified of them. Meet Gotti's Boys... Charles Carr  
the ruthless junkyard dog who allegedly disposed of bodies for the mob—by dissolving them in  
then displaying their jewels. Gene Gotti: the younger Gotti brother who ran a multimillion-dolla  
drug smuggling ring—enraging his bosses in the Gambino family. Angelo "Quack-Quack" Ruggie  
the loose-lipped contract killer who was wire-tapped by the FBI—and dared to insult Gotti be  
back. Tony "Roach" Rampino: the hardcore stoner who looked like a cockroach—and used his g  
arms and horror-mask face to frighten his enemies. "Sammy the Bull" Gravano: the Gambino  
underboss who helped John Gotti execute Gambino mob boss Paul Castellano—then sang like  
canary to take Gotti down. Rounding out this nefarious group were the likes of Frank DeCicc  
Vincent Artuso, and Joe "The German" Watts, a man who wasn't a Mafiosi but had all of the p  
and prestige of one in John Gotti's slaughterhouse crew. Gotti's Boys is a killer line-up of the  
hardened mob soldiers who killed at their ruthless leader's merciless bidding—brought to vivio  
the prize-winning chronicler of the American mob.

The Mafia Cookbook Oct 06 2020 In The Mafia Cookbook, Joe Dogs took the quintessential Mo  
formula -- murder, betrayal, food -- and turned it into a bestseller, not surprisingly, since Joe  
mixture of authentic Italian recipes and colorful Mafia anecdotes is as much fun to read as it  
cook from. Now The Mafia Cookbook is reprinted with Cooking on the Lam -- adding thirty-se  
original new recipes and a thrilling account of Dogs's recent years since he testified against t  
in five major trials, all told in his authentic, inimitable tough-guy style. The new recipes are sin  
quick, and completely foolproof, including such classic dishes as Shrimp Scampi, Tomato Sauce  
Mob mainstay), Chicken Cordon Bleu, Veal Piccata, Marinated Asparagus Wrapped with Prosci  
Baked Stuffed Clams, Veal Chops Milanese, Sicilian (what else?) Caponata, Gambino-style Fried  
Chicken, Lobster Thermidor (for when you want to celebrate that big score), and desserts ric  
to melt a loan shark's heart. Readers can follow these recipes and learn to cook Italian anytim  
anywhere, even on the lam, even in places where Italian groceries may be hard or impossible  
Tested by Mob heavy hitters as well as FBI agents and U.S. marshals, these recipes are simple  
follow, full of timesaving shortcuts, and liberally seasoned with Joe Dogs's stories of life insid  
outside -- the Mob. This is the perfect cookbook for anyone who wants to make the kind of f  
Tony Soprano only dreams about.

Mob Sta May 13 2021 -- Jerry Capeci's The Complete Idiot's Guide "RM" to the Mafia has alre  
netted close to 12,000 copies since its publication in December 2001, making it one of Alpha  
strongest new titles. -- Jerry Capeci is one of America's most respected experts on the Mafia  
organized crime. His Web site, Ganglandnews.com, gets more than 5,000 hits per day. He has  
appeared twice on Fox-TV promoting The Complete Idiot's Guide "RM" to the Mafia and is muc  
demand on local TV and radio shows. He has been profiled in People magazine, the New York D  
News (for which he was a longtime columnist), and dozens of other magazines and newspape  
John Gotti is terminally ill; when he passes on to that great Mafia in the sky, co-author Cape  
in great demand for interviews and will the plug the book. As he battles terminal cancer in a  
prison in Illinois, John Gotti, still the acting head of the Gambino Mafia family, is constantly in

news. Once Mr. Gotti ascends to Mafia heaven, he will be worldwide news-and Alpha will have the most up-to-date and comprehensive book on the subject.

Chin Dec 20 2021 "Full of astonishment . . . a kind of dark wonder." --Pete Hamill This is the story of Vincent Louis Gigante, the Genovese Family crime overlord who ruled a sprawling criminal empire for a quarter century with an iron--and deadly--fist. Vinnie "Chin" Gigante displayed such insanity that stunned the public, stymied the police and the FBI, and secured his power for decades. Was he really crazy? Or crazy like a fox? Vincent "Chin" Gigante He started out as a professional boxer--until he found his true calling as a ruthless contract killer. His dotting mother's pet name for the boy evolved into his famous alias, "Chin," a nickname that struck fear throughout organized crime as he routinely ordered the murders of mobsters who violated the Mafia code--including a contract put out on Gambino family boss John Gotti. Vincent Gigante was hand-picked by Vito Genovese to run the Genovese Family when Vito was sent to prison. Chin raked in more than \$100 million for the Genovese family, all while evading federal investigators. At the height of his power he controlled an underworld empire of close to three hundred made men, extending from New York City's Little Italy to the docks of Miami to the streets of Philadelphia--making the Genovese Family the most powerful in the U.S. And yet Vincent "Chin" Gigante was, to all outside appearances, certifiably crazy. A serial psychiatric hospital outpatient, he wandered the streets of Greenwich Village in a bathrobe and slippers, sometimes adding a floppy cap to complete the ensemble. He urinated in public, played pinochle in storefronts, and hid a second family from his wife. On twenty-two occasions, he admitted himself to a mental hospital--evading criminal prosecution while his continued reign as "The Oddfather." It took nearly thirty years of endless psychiatric evaluations and a parade of puzzled doctors for federal authorities to finally bring him down. This is an American Mafia story unlike any other--a strange and shocking account of one man's rise to power that is every bit as colorful and bizarre as the man himself. "A great book about a great subject by a great writer . . . a tale for the ages . . . McShane recreates a world that has largely vanished, bringing it vibrantly alive . . . grabs you with the immediacy of a breaking news story and carries you along as if you were living it." --Michael Daly, New York Daily News "A story that's long overdue. While John Gotti may have been the face of the American Mafia, Vincent Gigante was its heart and soul. McShane pull no punches. A vivid picture of the last American gangster." --George Anastasia, bestselling author of Gotti's Rules "A great book about a great subject by a great writer . . . a tale for the ages . . . McShane recreates a world that has largely vanished, bringing it vibrantly alive . . . grabs you with the immediacy of a breaking news story and carries you along as if you were living it."--Michael Daly, The Daily Beast The Untold Story Of America's Last Mafioso For three decades Vincent "The Chin" Gigante ruled the notorious Genovese crime family, raked in millions of dollars, and made headlines for his alleged bouts of insanity. Now--after thousands of pages of FBI and prison medical records have been declassified--his story can finally be told. . .

Murder Machine Apr 11 2021 "The inside story of a single Brooklyn gang that killed more Americans than the Iraqi army."--Mike McAlary, columnist, New York Post They were the DeMunnis gang--the most deadly hit men in organized crime. Their Mafia higher-ups came to know, use, and ultimately fear them as the Murder Machine. They killed for profit and for pleasure, following blooded plans and wild whims, from the mean streets of New York to the Florida Gold Coast, from coast to coast. Now complete with personal revelations of one of the key players, this is a savage story that leaves no corpse unturned in its terrifying telling. INCLUDES PHOTOGRAPHS

Surviving the Mob Sep 28 2022 What do you do when the law wants you behind bars and the New York crime families want you buried? That was the life-and-death dilemma confronting Andrew DiDonato, who began his criminal career at age 14 under the watchful eyes of the local Mob.

time he was 17, the infamous Gambino family made DiDonato an associate of the Nicholas Co crew. For the next 14 years, he was a loyal street soldier, immersed in dangerous and profitable criminal activities: burglary, forgery, extortion, loan sharking, car theft, bank robbery, counterfeit drug dealing, credit-card and insurance fraud, witness tampering, weapons possession, and at murder. He was also involved in the underworld gambling operations, which took in millions of dice and cards, booking sports and horses, and running numbers. Between these pages you'll get the most in-depth look at Mob gambling ever. At age 31, DiDonato ran afoul of both the law and his friends, turning him into a hunted man on two fronts. After 17 months on the run, the law caught him first. Surviving the Mob is a cautionary tale of the harsh reality of a criminal, inmate, fugitive, and witness who--so far--has lived to tell the tale.

**Mafia Dynasty** Jan 01 2023 The Gambinos--they arrived in America from Sicily when the '20's roared with bootleg liquor. For thirty years they fought a bloody battle for control of New York's underworld to emerge as the nation's richest and most powerful crime family. Now Mafia expert H. Davis tells their compelling inside story. Here are the chilling details and deceptions that created this vast criminal empire. Here are six decades of the uncontrolled greed and lust for power of such men as Lucky Luciano, Frank Costello, Meyer Lansky, Vito Genovese, Albert Anastasia, Carlo Gambino, Paul Castellano, and John Gotti--men for whom murder and betrayal were business as usual. In the Gambinos' powerful stranglehold on New York's construction, garment, and waterfront industries, and to the government's onslaught against them in the '80s and '90s, *Mafia Dynasty* takes you into the mysterious world of blood oaths, shifting alliances, and deadly feuds that will hold you riveted from the first page to the last.

**The Gambino Family** May 25 2022 The Gambino Family is a well-researched book on the 100-year history of one of New York's infamous La Cosa Nostra organizations. It begins with an outline of the first Boss, Salvatore D'Aquila, and ends with the present leader, Domenic Cefalu. Some of the essential details include the killing of Bosses Salvatore D'Aquila, Albert Anastasia, and Paul Castellano. Additionally, I provide a brief explanation of the formation of the Commission in 1957, as well as the Carlo Gambino-led conspiracy in the early 1960s that overthrew Joe Bonanno. Some of the other readers might find interesting the outline of a scam by Capo Joe Paterno, where he conspired with two relatives to hold on to the money they stupidly put in his trust. There is a chapter on the Hill Gambinos, a Sicilian crew in the Gambino Family. The leader of this crew rose to be a Capo despite his extensive drug dealing. The crew's success proved that the La Cosa Nostra rule against drug dealing was a myth. Another section deals with the little-known Baltimore crew. Joe N. Costello, later the Family's Consigliere, used to make regular trips to Baltimore to pick up tribute from the crew's gambling operations. Andy Petepiece has researched the Mafia for more than fifty years. During that period he worked with various organizations and individuals to provide accurate information on La Cosa Nostra. Edmond Valin, author of chapter nineteen, is a veteran Mafia researcher with great credentials.

**The East Village Mafia** Dec 08 2020 Few New Yorkers are aware that the tenements and storefronts of the East Village, famous for Beat poetry, avant-garde art, and alternative rock music, were once a stronghold of mafia racketeering, treachery, and intrigue for almost seventy years. From the 1920s to 1990, mob icons lived in or frequented the East Village, known as part of the Lower East Side since the mid-1960s. In *The East Village Mafia*, author Thomas F. Comiskey shares the history of this little-known Manhattan mafia enclave that wielded influence on the direction and destiny of organized crime in New York City, telling how: Mafia royalty Lucky Luciano, Joe "the Boss" Masseria, and Joseph Bonanno lived in or frequented the East Village; East Village-bred Mafiosi plotted the assassinations of five Cosa Nostra bosses; Lucky Luciano ordained the East Village to be one

mafia's major heroin distribution centers after World War II; A mobster from Avenue A conspires to sell the Vatican millions worth of bogus stocks and bonds, some forged in the East Village; A Mafia don Joseph Bonanno's favorite Social Club on East Twelfth Street determined control of a New Jersey hotel; and A federal agent from Avenue A and Fifteenth Street became the nemesis of mafia narcotics dealers.

The Gambino Family History Nov 30 2022 In the fall of 1931, Charles "Lucky" Luciano calls the most powerful gangsters to a hotel in Chicago for a meeting that will soon change the way that organized crime is run in America. He creates the Five Families just like they did back in Sicily. His words were, "We have to run our business like a business." With the Capos, the Crews, and the Consiglieres, all reporting to the head of the family, The Boss, but there will be no more Bosses. He also created a board of directors, "The Commission" run by the heads of the five New York families. They will have the final say in all matters, even life and death. In a single move, Luciano creates the most powerful organized crime syndicate America has ever seen. And the six-years later on the morning of October 25, 1957, Albert Anastasia was killed, and with his death came the birth of The Gambino Crime Family. Even though they are no longer headline news in newspapers across the country, The Gambino Crime Family continues to be active in a variety of criminal enterprises. In this book, we will journey over 100 years of Mafia history from the 18th century of Ignazio 'the Wolf' Lupo, through the prohibition years and the 1929 Castellammarese War. We will trace the footsteps and battles of Lucky Luciano, Carlo Gambino, Paul Castellano, and John Gotti as they make millions, kill thousands, and create empires.

Making Jack Falcone Jan 09 2021 At 6'4" and 375 pounds, Jack Garcia looked the part of a mobster, and he played his part so perfectly that his Mafia bosses never suspected he was an undercover agent for the FBI. 'Big Jack Falcone', as he was known inside La Cosa Nostra, learned all the inside dirt about the Gambino organized crime syndicate and its illegal activities - from extortion and loan-sharking to assault and murder. The result was a string of busts and a quarter million dollar contract put out on his life. A fascinating inside look at the struggle between law enforcement and organized crime, MAKING JACK FALCONE sheds new light on two organizational cultures that continue to exert an unparalleled grip on our imagination.

The Business Of Crime Aug 23 2019 Members of organized crime syndicates have gained control of key businesses and trade unions through their strategic positions as arbiters of labor-management conflicts and as dispensers of illegal credit. They are managing important sectors of the contemporary marketplace, engaging in activities far more significant than the vice enterprises usually associated with criminal activity. Difficult to access for scholarly study, organized crime is best documented in judicial findings and in legislative reports from criminal investigations and public hearings. In this book, Alan Block has assembled a rich cross section of these reports. Taken together, they illustrate how organized crime has infiltrated important industries and taken control of union pension and welfare funds. Designed for students of criminology, sociology, and deviance, the book provides a comprehensive overview of the business of crime in America today.

Conspiracy Theories and Secret Societies For Dummies Dec 2021 Entering the world of conspiracy theories and secret societies is like stepping into a distant, parallel universe where the laws of physics have completely changed: black means white, up is down, and if you want to understand what's really going on, you need a good reference book. That's where Conspiracy Theories & Secret Societies For Dummies comes in. Everybody knows its a conspiracy right? Find out in Conspiracy Theories & Secret Societies For Dummies.

John Alite Mafia International Jan 25 2022 -John forms his own international mafia ring, working with different factions all around the world, who then also stepped up to help him with hide-passports, and transportation. -From millionaire to fugitive and capture. Bonus chapters and photos. -Chapters on: John Gotti, Sr., John Gotti, Jr., Johnny Ruggiero, Frankie Burke, Rikers Island, Amored Cars, Crooked Cops, Money, Drugs, Phil Barone, Greg Reiter, Stolen Car, People Stuffed in Trunks, Ronnie One-Arm, Court Document Excerpts, Anthony Tabbita, TT, Joe Gambino, Hells Angels, Joey Scopo, Terrorists, Claus, and more... "Men like Angelo Ruggiero, Johnny Carneglia, and Mark Reiter were true tough guys, and I respected them. They didn't go to the clubs and play cards all day. They didn't want to sit there and talk shit. They would tell me to anything except hang out at the club and smoke cigars like a moron."
